THE NEW JERSEY PALEONTOLOGICAL SOCIETY was formed in January,1991 for the educational and scientific pursuit of PALEONTOLOGY and related EARTH SCIENCES. The society was incorporated as a New Jersey non -profit organization in 2000.

MEETINGS are held on a Monday of each month beginning at 7:30 p.m., at the Bergen Museum, corner of Ridgewood and Farview Avenues, Paramus, NJ. Changes in the time, date, and for place of the meeting are noted in the newsletter. No meetings are held during July and August.

FIELD TRIPS are conducted monthly, weather permitting, and will be announced at the meetings. Field trips are open to members only.

THE NJPS PALEONTOGRAPH is published monthly, except in July and August. The newsletter keeps you abreast of meetings and field trips as well as presenting interesting and informative articles.

2008 NJPS FIELD TRIP RELEASE

The undersigned agrees to comply with all rules, regulations and restrictions communicated to the undersigned by New Jersey Paleontological Society Inc. trip leaders or landowners relating to NJPS field trips. The undersigned also agrees to release NJPS , it's officers and trip leaders from all liability relating to loss or injury to person or property which may occur while attending a field trip or other event. **One signature per family member.**
